DR. HENRY SHAFFER.

Dr. Henry Shaffer died at his home in Tedrow Tuesday of last week. Funeral services were held in the Wauseon Christian Church on Friday at 2:00 o'clock. Rev. J. A. Wharton, pastor of the church officiated, assisted by Elder Dr. Shepherd, who had known the family of the deceased for many years. A quartet of the church singers rendered appropriate music. The I. O. O. F. attended in a body and held their services at the grave. The large church edifice was born in Franklin township, Fulton County, Ohio, March 26, 1851. He died April 7, 1914, aged 63 years, 12 days.

died April 7, 1914, aged 63 years, 12 days.

His life was spent in and about Wauseon until 1877 when he went to Trumbull county to live. His father died when he was a boy, and at the age of 13 the lad was at work in a woolen mill. Being of a mechanical turn of mind he worked at nights on an invention which he thought would fit in a machine and improve the manufacture of woolens. When he had completed this and showed it to his employer, who was quick to see its value, he was laughed at and told it would never amount to anything. Discouraged he laid it aside, but the same invention was patented by another later and he reaped the financial reward that really belonged to the boy who was afterwards Dr.

Shaffer.

In March 1878 he was married to the work of consolation, and to all others who manifested their sympathy for us in every way.

CARD OF THANKS.

We hereby tender our grateful thanks to the many friends, who have assisted us in the last sickness, death and burial of our husband, father and son, Dr. H. W. Shaffer, for the many beautiful floral offerings and to the ministers for their comforting music and to the ministers for their words of consolation, and to all others who manifested their sympathy for us in every way.

In March 1878 he was married to Miss Carrie A. Haughton, daughter of his step-father H. A. Haughton. He settled on a farm and made a success of that work, but feeling the world needed one more doctor, at the age of 42 he began the study of medicine and graduated from the Cleveland Homepathic College in March 1897 at the age of 46.

In 1899 he came back to Fulton county where he finished his life work. At the age of 15 he confessed his faith in Christ and was baptized by Elder L. L. Carpenter at Wauseon.

hy Elder L. L. Carpenter at Wauseon. He was chosen one of the deacons of the church here at 18 and served as such until his removal to Trumbull county. There he served as deacon at West Farmington until his return to Tedrow. At Tedrow he was chosen Elder and Sunday School Superintendent which places he filled until his practice of medicine compeled him to resign.

He was a members of the Ottokee Grange and of the Tedrow I. O. O. F. On the question of temperance he was an abstainer—no liquors, no tobacco,

Evangelists.

The Raycroft Family evangelists of Chicago, Ill., who were here assisting Rev. J. H. Williams in special revival meetings in the U. B. church several weeks past, have returned and begun a series of meetings at the North Dover U. B. church six miles north of Wauseon. In many respects this is a very remarkable family. The first word the children learned to lisp was "Christ."

Early Chicks Pay!

Now is the time to be thinking about early hatches and spring chickens! You chicken owners know that the early hatched chick will double the profit on the late fellows, so get in line and get your share of the big profits.

Don't depend on a cranky hen—go at it right and get a Buckeye Incubator. You can start the incubator now—just when you are ready—but you cannot start the old hen until she's ready, and right now is the time to start. You cannot go wrong with a Buckeye

because we guarantee them to hatch every hatchable egg, and if you'll come in, we'll show you the chicks hatching and prove to you that a Buckeye will hatch more chicks, bigger chicks and stronger chicks than any old hen yo ever owned.
